OPPORTUNITIES TO IMPROVE LIFE SKILLS:

CARE QUALITY COMMISSION (CQC)

Having opened the doors to our first residents on the 9th November 2015, CQC inspected our service on the 23rd December 2015.

“Although the service is new, we received consistently positive feedback about the way people had been supported to move into the service and about the overall quality of the service. We were consistently told that people had improved significantly both emotionally and physically due to a staff team who were knowledgeable and committed.”
