I WILL CONSTRUCTIVELY CHALLENGE OTHERS, SO COLLECTIVELY WE CAN MAKE EVERYDAY MATTER.

I WILL SUCCEED

How are staff putting the challenge charter into action?

"We've put TRUST in in our Person Centred Active Support Training and in return have helped Mark to put trust in his independence - increasing daily living skills & confidence in his ability." *The Barn*

"An individual we support was anxious about going to college one evening. Staff encouraged him to come up with a solution on his own. He asked one of our team to travel on the bus with him, attending the class independently. A GREAT example of EMPOWERING others." *Mansard House*

"We have supported Christine to get her hair cut independently. Through the team putting trust in her ability she has slowly increased her CONFIDENCE, first travelling into town, with staff support and now attending her appointments on her own." *Westhead*
