

Our Values are.....

Trust: Ensuring that all communications are truthful, understandable to those it affects and maintains the relationship of reliability.

Positive Regard: Recognising and respecting the differences that every individual brings, both good and bad, and making the necessary adjustments to assist individuals to positively grow.

Shared learning: Sharing knowledge, skills, attitudes and understanding whilst ensuring that any activity is done to the best of our collective abilities.

Equality: Treating everyone differently in order to afford them the same opportunities.

Welcome to Bay House

Bay House is registered for 5 young people, we provide planned short breaks for children & young people in the Dorset area as well as emergency placements if the need arises. We support children & young people between 5 – 17 years of age, both male and female with a learning and/or physical disability and complex health needs.

Bay House is very homely and designed with children & young people are the centre of everything that we do. Children & young people have a great time when they come to stay. Everyone take's part in a wide variety of activities that are safe, fun and stimulating. We pride ourselves on listening and tailoring activities and support to the unique needs of everyone who visits our service. Anyone who comes to Bay House is offered a warm welcome.

Enquiring about our service?

- Give us a call or send us an email and the Registered Manager will tell you all about the service.

We can then arrange a visit so you can have a look around.

- If you are interested we will ask you to complete a referral form.
- We will then work with the parents, social worker and the child to do a full assessment to make sure our service is appropriate for the child.
- We will write to the social worker confirming the offer of a placement.
- We will all work together to support a smooth transition for the child into Bay House.

Our staff

We expect high standards and positive values and attitudes from our staff. Our continuous professional training programme means that children are supported safely with a focus on nurturing their talents and independence. We regularly monitor competence and promote a culture of learning and self reflection. To be the best we can be requires us to challenge ourselves in everything that we do.

Team Around the Child Approach

We work closely with the local schools to ensure that we have a consistent approach with the children & young people we support. We encourage families and professionals to come to Bay House and we listen to their ideas of what works well and how we can improve.

Supporting Families

Bay House aims to build open and honest relationships with young people their parents/carers We will always try and support families even when their children/young people are not actually staying at Bay House this has included giving parents a break when they have long hospital stays, supporting with transport, we will always try and help, nothing is impossible, there is always a solution.
