What We Do

Our highly skilled and dedicated staff team provide a range of support options including group activities, 1:1 support, outreach and Personal Assistants. Achieve With Us has a family feel and we ensure that there is always an emphasis on supporting people to develop their confidence and build on social and life skills. The service is fully flexible and tailored to need, with the key objective of supporting each person to reach their full potential, whilst maximising their independence and enjoyment of life. Outcomes for each person are achieved through a personalised pathway of support and activities, but can include:

- **Work Experience**
- **Skills and Education**
- **Health, Wellbeing and Fitness**
- **Crafts, Design and Arts**
- **Dance, Music and Drama**

- **Travel, trips and short breaks**
- **Community based activities**
- **Personal Assistant services**
- **Support in your own home**

We support people with a wide range of needs and complexities; we will take the time to talk through your individual circumstances, understand your needs and look at innovative ways we can support you. We offer free taster sessions; call our offices for a chat and arrange to come and see us in action!

About Potens

Potens provides a range of services for adults and children with learning disabilities, mental health diagnosis and acquired brain injury; including those on the autistic spectrum and those with Korsakoffs Syndrome.

Service types include residential care homes; single and multiple occupancy supported living; domiciliary care services, respite and short-breaks and day opportunities nationally.

A member of our friendly team would be happy to discuss your circumstances and explore how we can offer support. Please get in touch via phone or email.
