

Magic Moments
from
Arbour House School

Making friends and taking turns is fun!

Learning about Ancient Technology

and building a fence is hard work!

Shhh!... I'm enjoying a quiet moment...

Ordering my
own drink and
gaining
independence
feels great!

HALL OF MOTOR SPORT

Special interests
are good to share!

Enjoying the peace and quiet
of the allotment

Working together...

gets the job done!

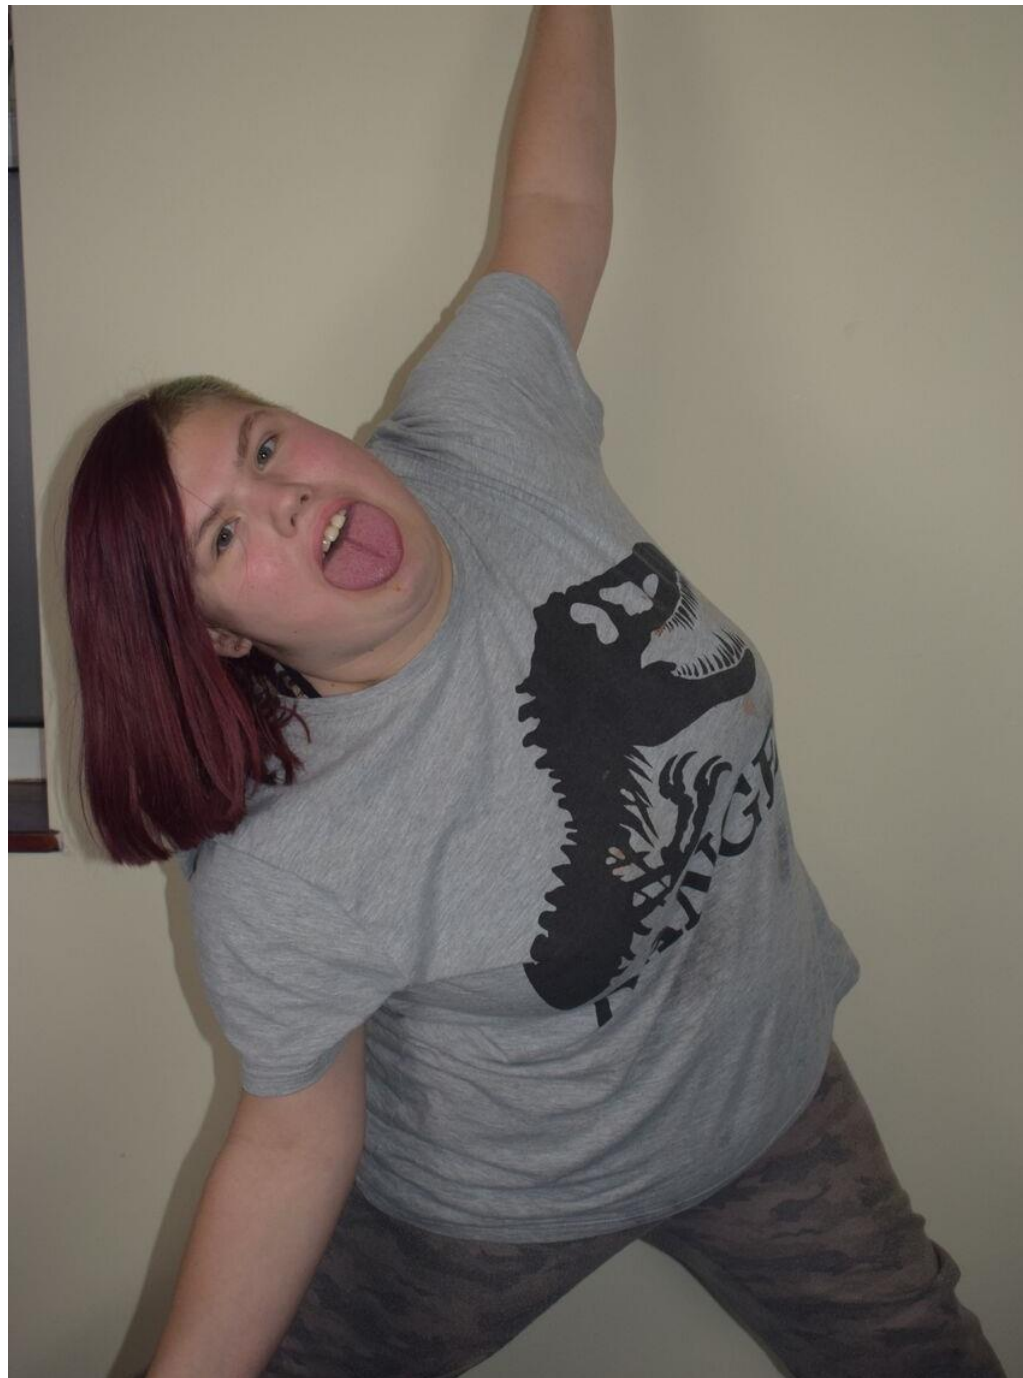

The outdoor gym at Lodmoor Country Park

Comic Relief Group Fundraising

Mmm...
I quite
like
my photo
being
taken
after all!

Camera-shy?
What's
that?...

Invaders & Settlers

Learning about the past...

Hands on History at the Tank Museum

Working with
the Morrisons'
Community
Champion

Raising Money for Children in Need

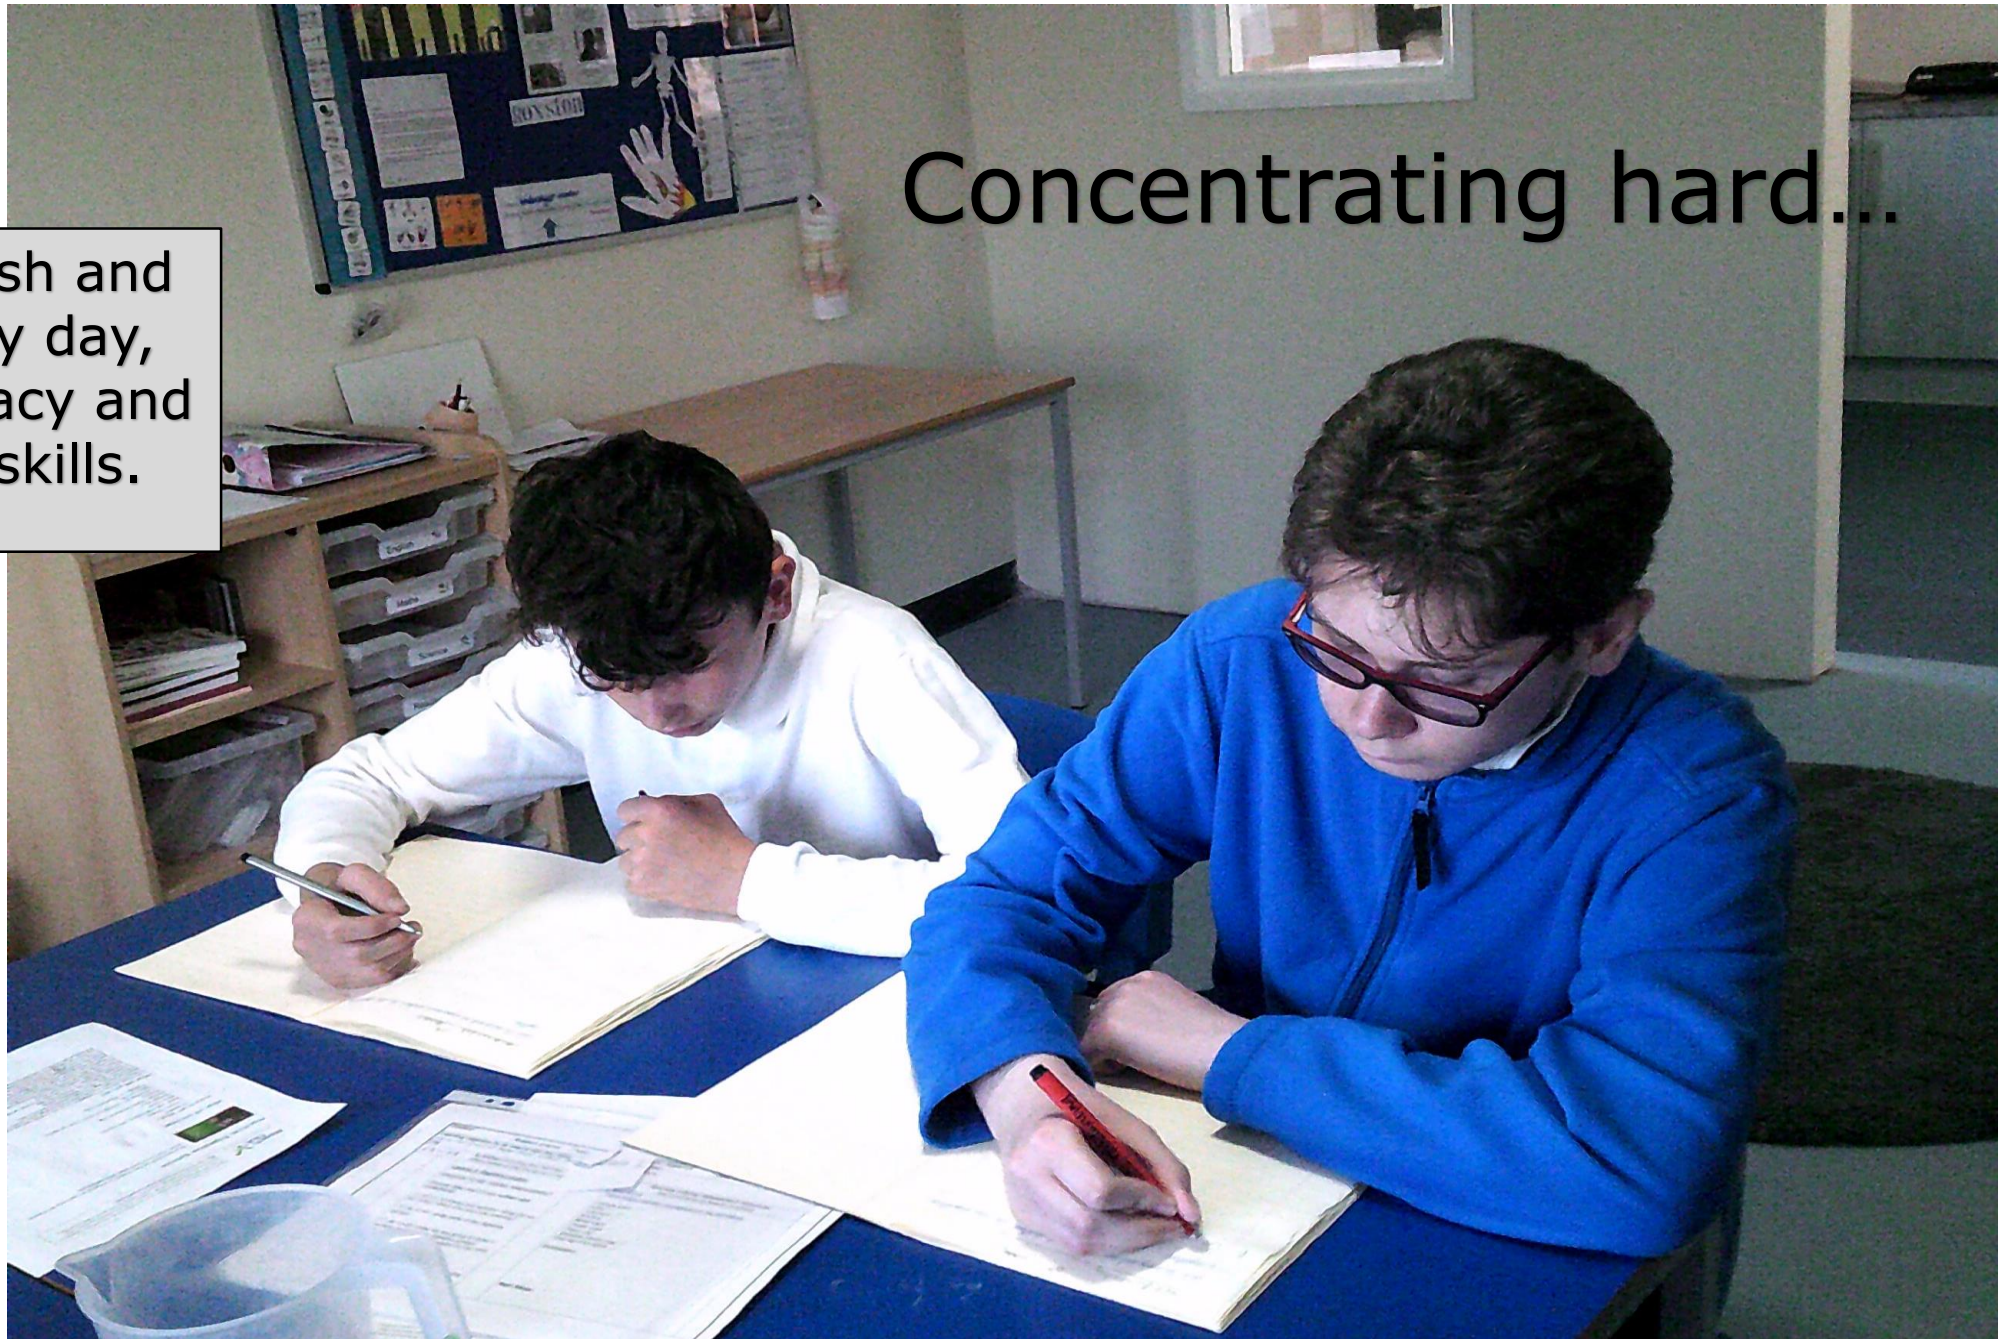

**Raising money for Children in Need
We made all the products by ourselves.. And had a total sell out!**

We do English and Maths every day, to build literacy and numeracy skills.

Concentrating hard...

I've gone up two whole colour bands
in my reading!

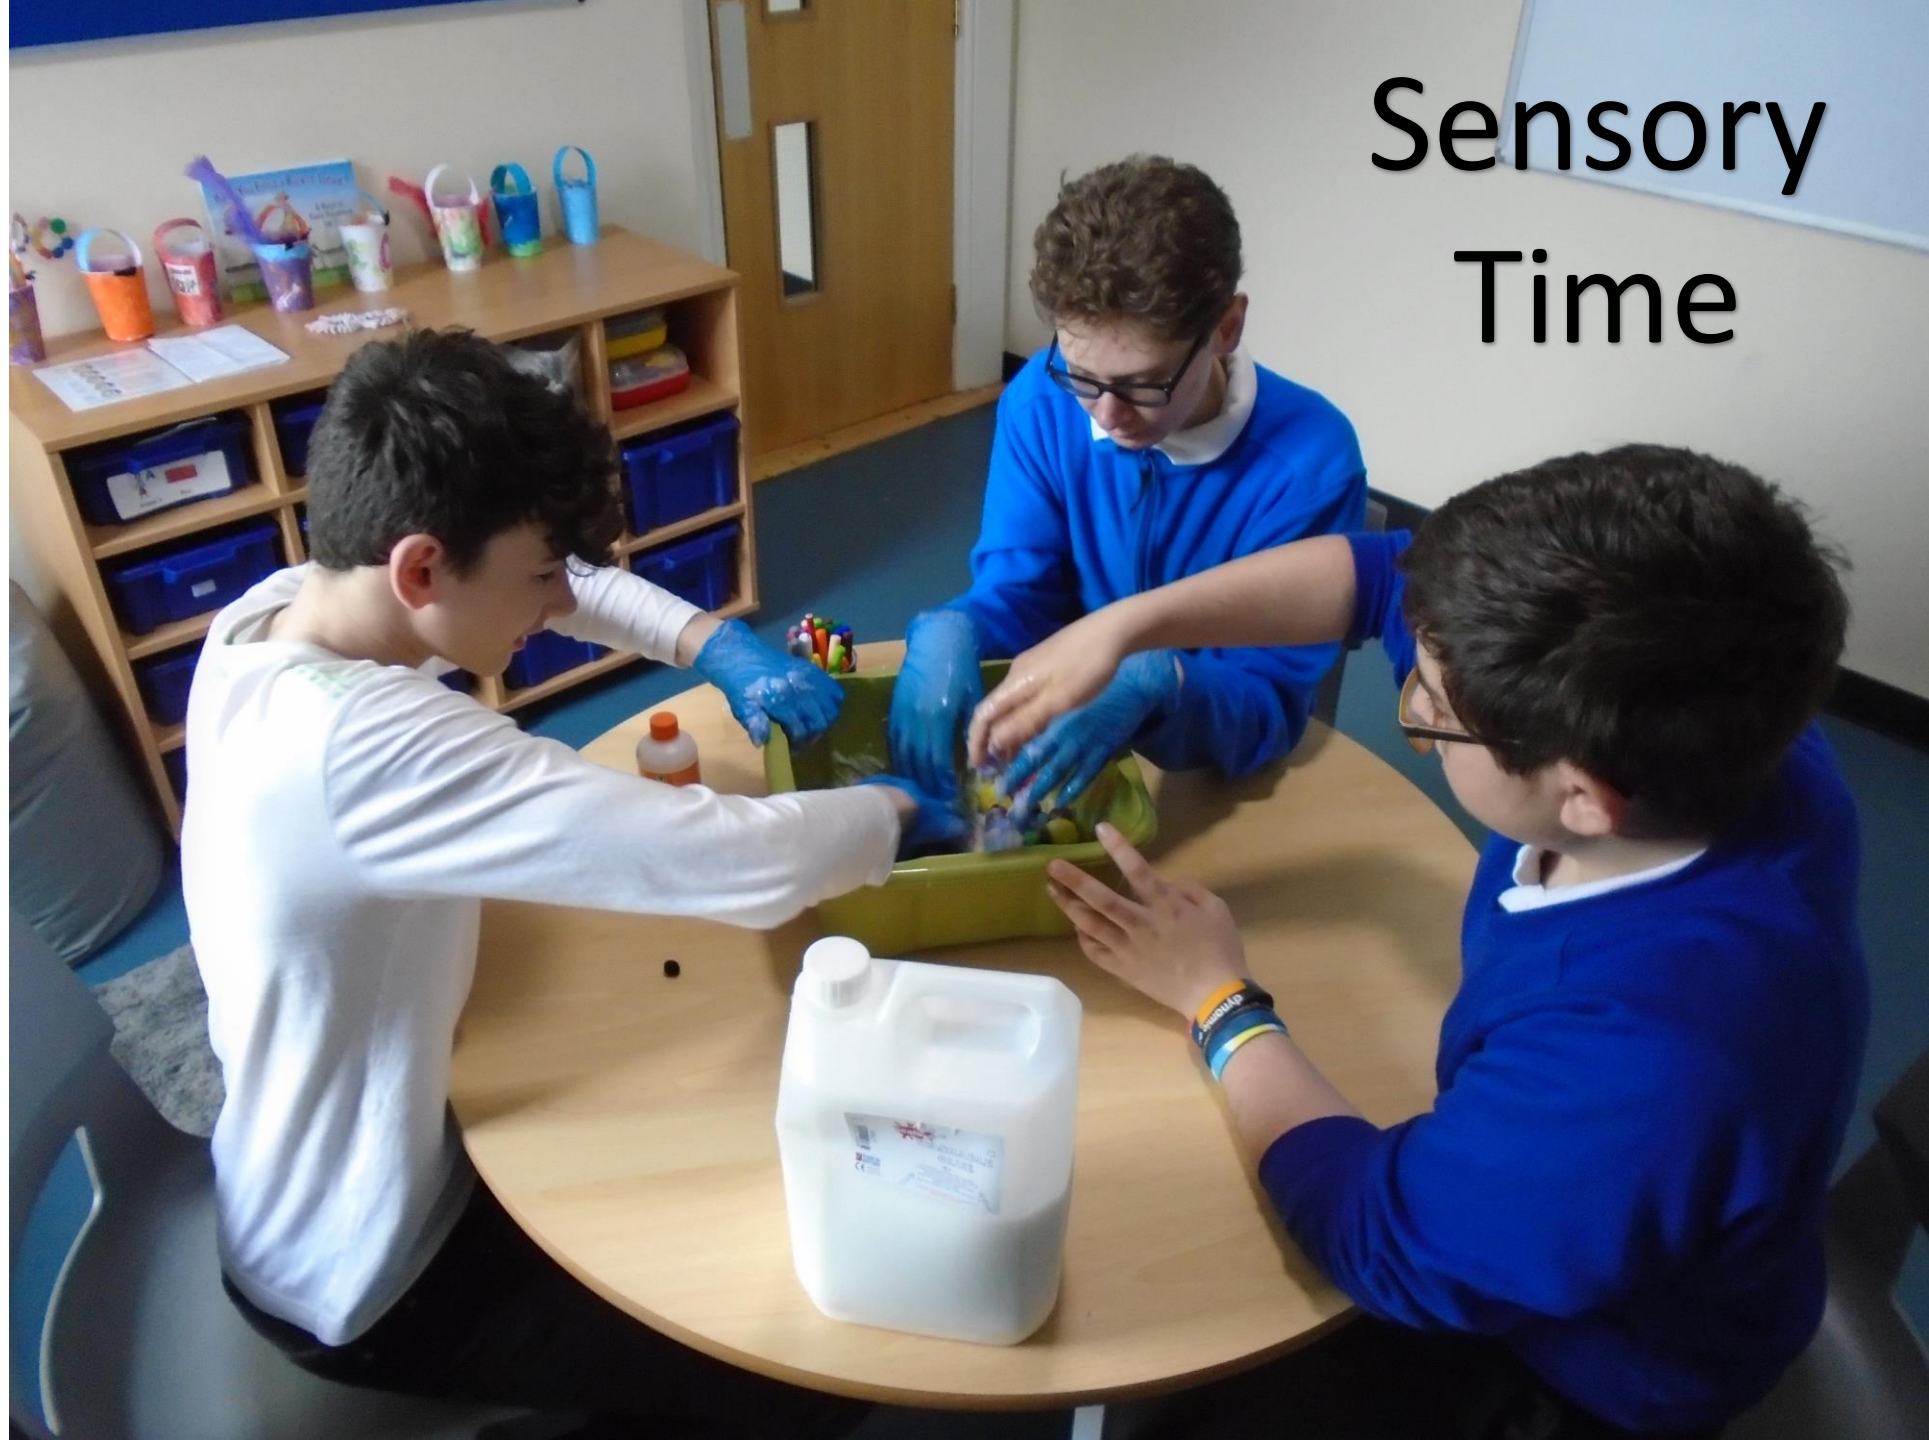

Volunteering for the RSPB

Caring for Nature

Sensory Time

Designing our own confectionary

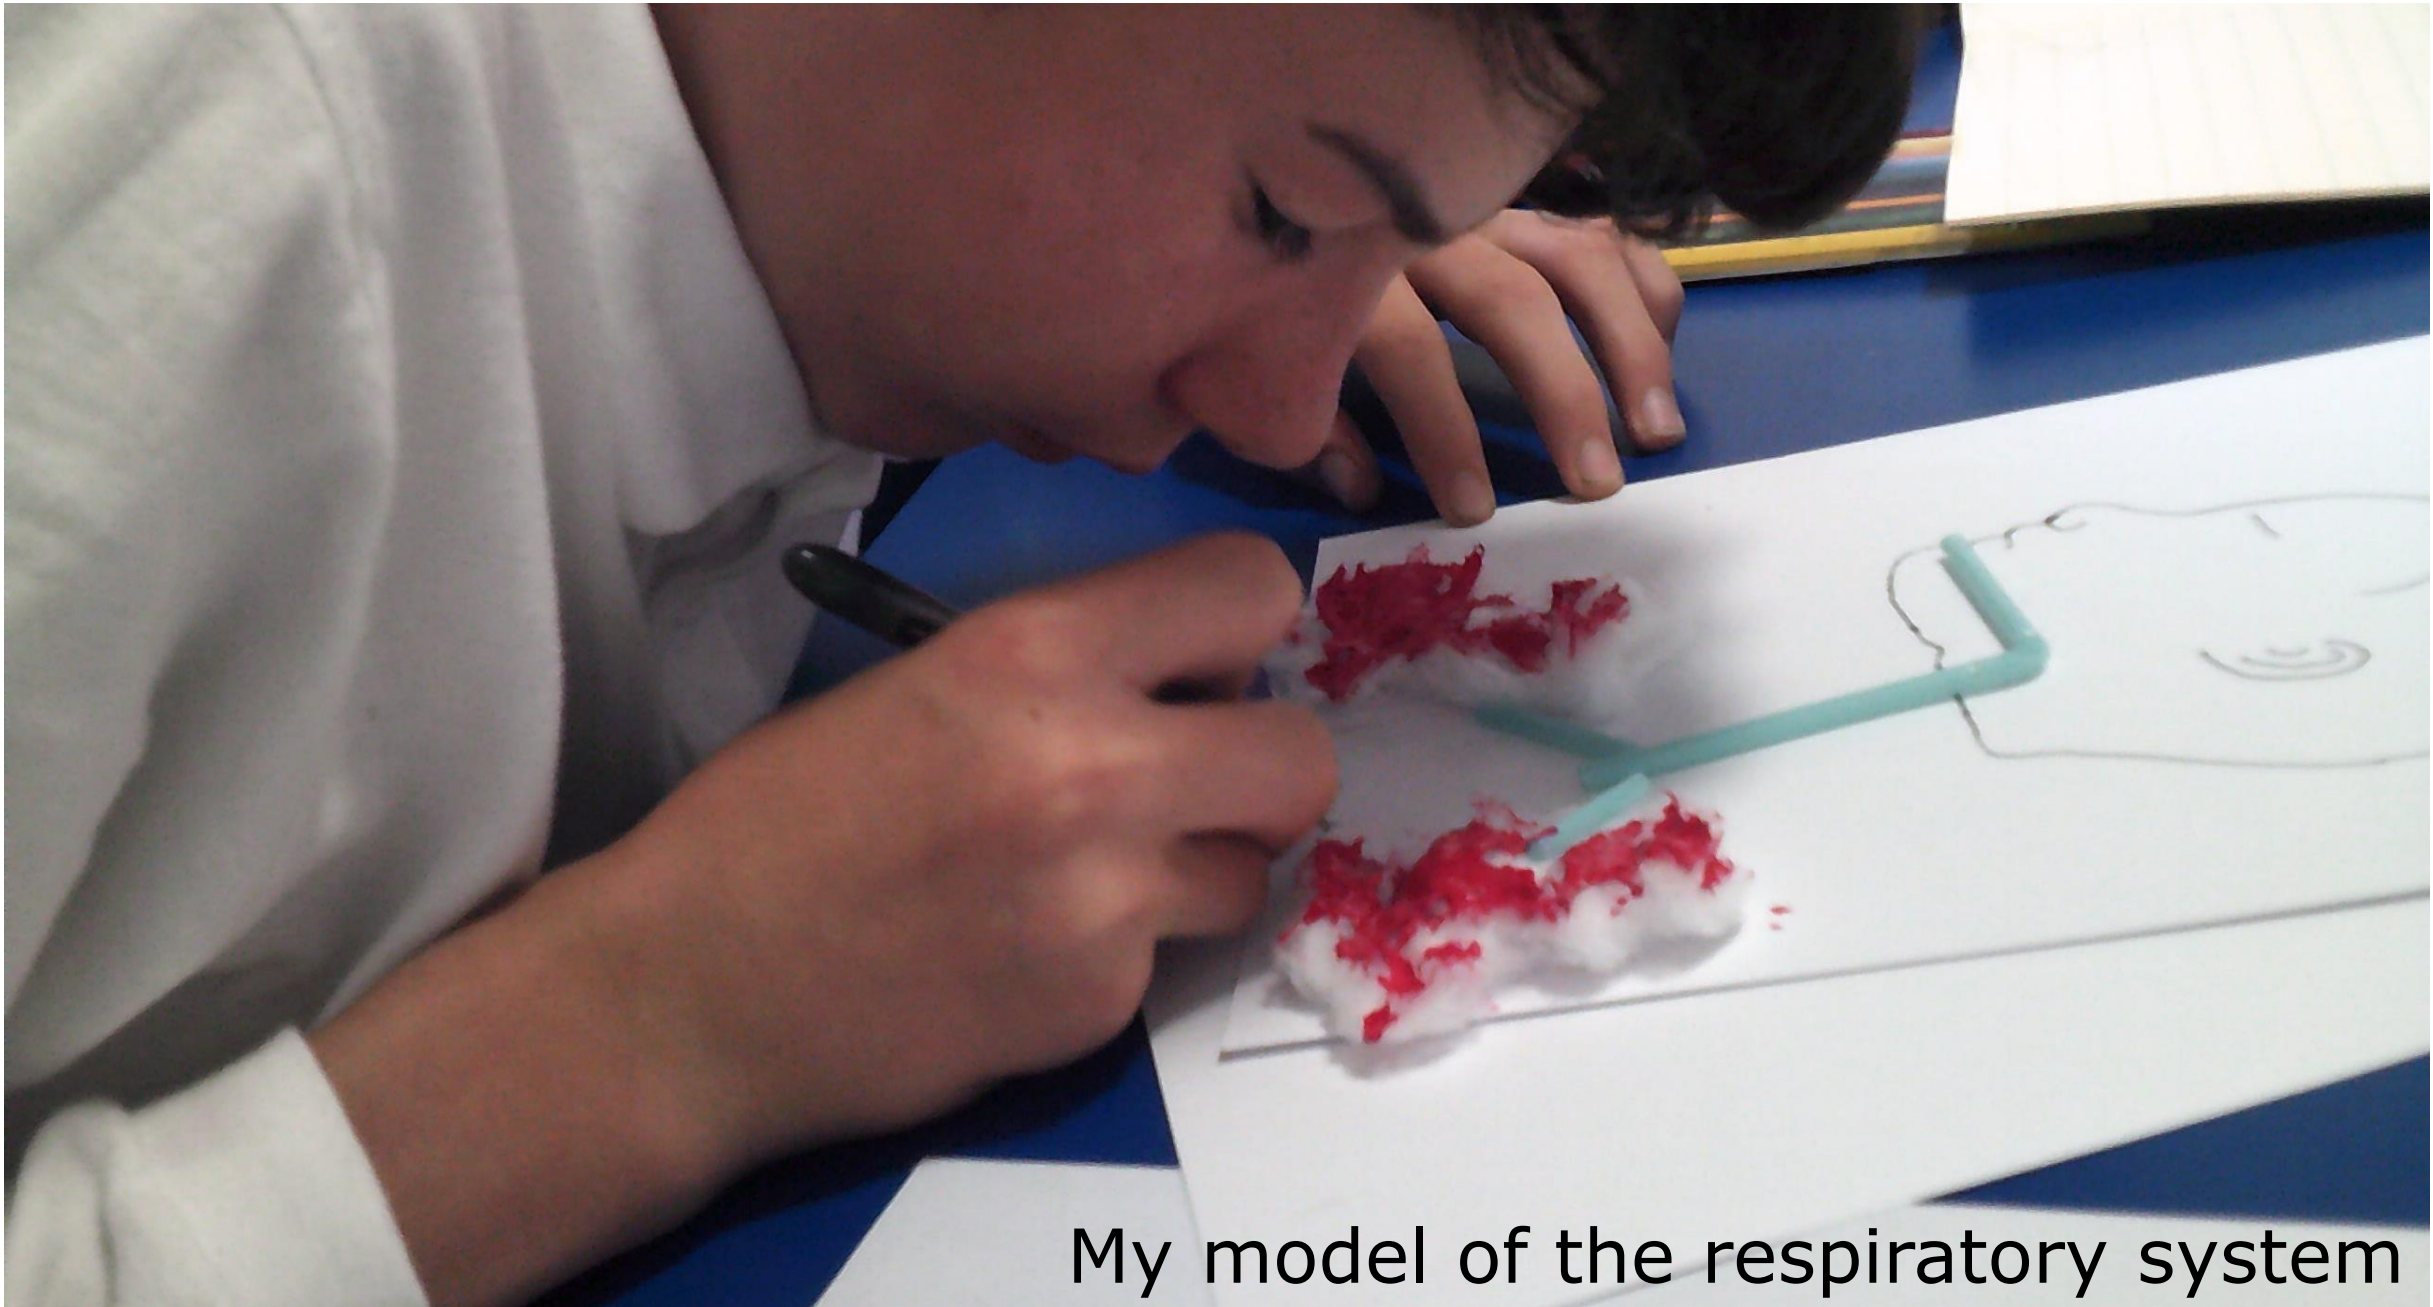

Whole school visit to the
Chocolate Factory,
Wareham

We made chocolate bars and sold them for charity

Giving them up was a tough one!

My model of the respiratory system

Checking out China Town.
Next stop, Hollywood!

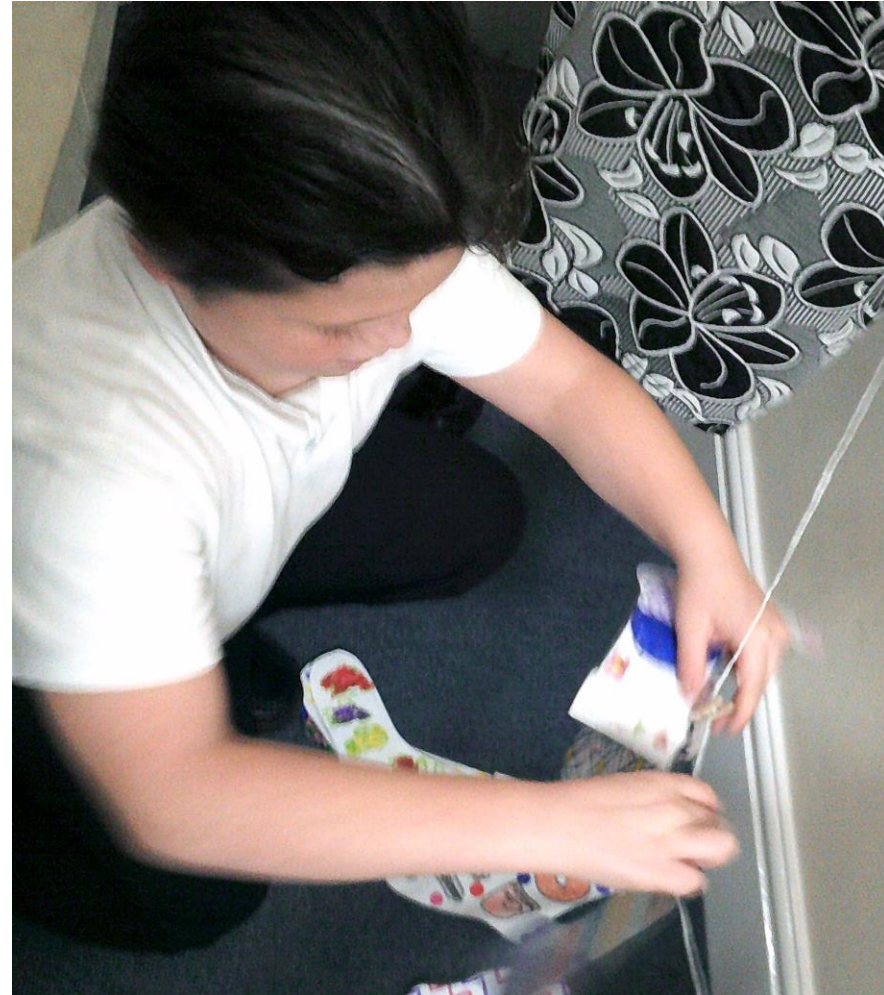

Travel Training...
Lots to remember!

Anti-Bullying
Week

I thought the teachers were meant to do
all the hard work around here?!

Independent Living Skills

Making Soup for the Homeless Bus

Voluntary Work in the Community – Supporting the Elderly

SCIENCE

Working together and helping each other

Happy 30th Birthday Potens

From all the team at Arbour House!
