

LIVING AT

BOURNEBRIDGE HOUSE

Bournebridge House sits in a beautiful rural area of North Devon.

We have four cottages sitting around our courtyard and fields and woods for the people to enjoy. We have designed the area to ensure people's safety.

All our rooms are en-suite and the bedroom would be decorated to your wishes.

We have a dedicated team of staff who will provide a person-centred service to meet your needs.

We have three vehicles on site and the people who live here regularly go into the local towns of South Molton as well as Barnstaple and Bideford.

Our service is well established, homely and we personalise our approach. This would include activities, dietary needs we will support you to follow your cultural and faith needs.
