

Additional Things Your Child Will Need:

PE Kit needs to be in a bag and should be kept in school for the week – pupils should bring it in to school on a Monday and take it back home again on a Friday so that it can be washed ready for the following week.

It is important that pupils wear their PE kit as often our PE sessions use community locations or local facilities and children need to be easily identifiable as our pupils.

We aim to be as flexible as possible in our provision and pupils can be offered additional PE time, like gym sessions for example, throughout the week. Without the correct kit, they will not be able to participate.

Swimming kit also needs to be provided, and your child's teacher will let you know when their swimming days are in plenty of advance by calling you or by writing it in your child's Chat Book.

Children may wear goggles if they wish to, and a swimming cap if they do not want to get their hair wet.

A water bottle with a watertight lid/top is essential and we encourage pupils to drink water throughout the day to remain hydrated and healthy.

At least one piece of fruit a day for snack time is necessary please. We promote healthy food and snacks only, supporting pupils to try different tastes and textures as and when they are ready and able to, so fresh fruit and variation is helpful.

A waterproof coat or jacket – can be any design or colour as long as it keeps your child dry and warm, ideally one that they can take on and off by themselves, as we encourage independent skills wherever possible.

Suntan cream and a sun hat – in hot weather. If you prefer to provide your own brand of suntan cream then staff will ensure this is the one used for your child. Alternatively, if no suntan cream is provided, the school will use their own, of an appropriate SPF. Consent forms will be given to you for permission to apply suntan cream.

Messy Play/Art Apron – Learning is fun and sometimes when children have fun they get dirty! We use sand, water, paint, glue, and a whole host of sensory resources, in addition to the art and craft activities and baking/cooking that children participate in.

We do our very best to keep your child's uniform in good order, but we do advise that you provide your child with an appropriate apron or overall/old shirt for the 'messier' school activities. This can be left on their peg throughout the week.

Spare set of clothes - This is entirely optional, but if you have concerns that your child may need a spare set of clothing, if they are prone to toileting accidents for example, then please ensure you provide this in a bag that can be hung on their cloakroom peg.
