## What Does the School Uniform Look Like and Where Can I Buy It?

We do not have any school logos on our uniform. In fact, we have worked hard to have a school uniform that is simple, low cost, and readily available.

Skirts and trousers are available with elasticated waistbands if your child finds this easier to manage.

All of the uniform items listed can be purchased at a very reasonable price from supermarket stores such as Asda and Tesco, as in the examples here:
