BEING ACTIVE IN YOUR COMMUNITY

-  Cherry Tree Shopping Centre and Liscard Town Centre are both nearby offering a range of shops, pubs and restaurants.
-  Liscard health centre is nearby and the area is also home to Victoria Central Hospital.
-  A wide range of food outlets, restaurants, bars closeby.
-  Local transport links to Liverpool city centre and further. Wallasey is near Kingsway tunnel with access via car to Liverpool Centre.
-  We have bus rides to New Brighton, Birkenhead and Liverpool City Centre.

Our support staff are trained to work with a personalised approach using things like the recovery star model.

This is an ideal placement for people moving from residential settings to increase independence in a supportive environment. The service is staffed 24 hours a day with 1:1 support shaped around needs - with a Key Worker model and consistent team.

People who live at the service enjoy a range of activities based on personal choice. These activities can vary from a coffee at the local shops to a full day out doing something more specific. We have some individuals who like to go to the gym and take part in exercise classes.

We offer support to adults with learning disabilities, autism and dysregulated behaviours.

We offer a range of indoor activities, including themed nights and personalised activities.

We also work with the individuals living here to organize and plan activities out in the community depending on personal preference.
